

NORTH EAST LONDON
SOCIAL WORK
TEACHING PARTNERSHIP

NELTP Programme of Events

Nov 21 – Mar 22

Introduction

The North East London Social Work Teaching Partnership (NELTP) are pleased to announce that we will be delivering a number of online events for social work colleagues working across the North East London region. The topics were suggested by our partner Local Authorities – Barking & Dagenham, Havering, Newham, Redbridge, Tower Hamlets, and Waltham Forest, and our Higher Education Institutes – London Metropolitan University and University of East London, based on their current needs.

We are looking forward to building on our successful online events that took place during November 2020 – July 2021. We held 13 events with over 350 colleagues attending, and these were delivered by academics from our HEI partners and also external trainers who are experts in their field. If you haven't done so already, you can view most of our past events on our website [HERE](#).

We'd also like to share with colleagues working across our partner boroughs of the opportunity to apply for 1 year enhanced membership. This FREE offer includes access to London Metropolitan University's vast online library that has huge number of Social Work research and journals. If you work for one of the partner Local Authorities and this is of interest, please complete the application form [HERE](#).

We hope to see as many of you as possible at our upcoming online events.
